

**CUPRON**  
EXCELLENCE IN COPPER

**CUPRON**  
EXCELLENCE IN COPPER

## Welcome to CUPRON

where excellence is our legacy, and innovation is our heart beat!

### About Us

At Cupron, we're not just experts in metals and chemicals – we're the architects of innovation, weaving long lasting customer relationships based on trust in quality and superiority. Our tale began in 2016, when our visionary co-founders dived into the metal industry, transitioning from trading global brands to mastering manufacturing, all in pursuit of delivering perfection to every customer.

### Why Cupron a Game-Changer?

**Expertise in Metallurgy**

Our diverse expertise ensures that every copper anode we manufacture is a masterpiece, setting new standards in the electroplating realm.

**Customization At its finest**

At Cupron, we understand that one size doesn't fit all. Your vision, our creation – experience unparalleled customization.

**Quality Assurance**

Raw Material we use is Copper Cathode with 99.99% purity.

**Our test Equipment**

In-house spectro analysis to ensure the delivery of quality products to our customers.

## Copper We Manufacture

### Copper Anodes

- Phosphorized ( 99.90% Purity ) -

#### BALLS

Size - 25 mm dia

#### NUGGETS

Size - 20x25 mm  
20x50 mm

#### PLATES

Size - 4"x12"  
4"x24"  
4"x36"

- Oxygen Free ( 99.95% Purity ) -

#### BALLS

Size - 25 mm dia

#### NUGGETS

Size - 12.5x20 mm  
20x25 mm

#### PLATES

Size - 4"x12"  
4"x24"  
4"x36"

#### APPLICATIONS :

• PRINTING CIRCUIT BOARDS ( PCB )

• DECORATIVES

• AUTOMOTIVE

• HARDWARE

**CUPRON**  
EXCELLENCE IN COPPER

## - Chemicals We Manufacture -

**NICKEL  
SULPHATE**

Make-  
Divino Oak Industries  
(Packing 25kgs)

**COPPER  
SULPHATE**

Make-  
Divino Oak Industries  
(Packing 25kgs)

## - Metals and Chemicals We Import -

**NICKEL  
ANODE**

Size - 1"x1", 4"x4"  
4"x12", 4"x24"

**NICKEL  
PLATING  
ROUNDS**

Size 23mm dia  
( Packing 50 kgs )

**CHROMIC  
ACID**

( Packing 25 kgs  
50 kgs Drum )

**NICKEL  
CHLORIDE**

( Packing 5 kgs  
20 kgs )
